

2019 PSFCU Rising Star Scholarship Application

Dear Member:

As part of our mission in helping members achieve financial success, the Credit Union realizes the need for a solid education. Dreams of a higher education are often hindered by financial difficulties. With these values in mind, the Polish and Slavic Federal Credit Union Scholarship Program was created.

The PSFCU Rising Star Scholarship Program is open to any PSFCU member (*primary owner of the account; joint owners and children of owners do not qualify*). The PSFCU Rising Star Scholarship Program is open to students who will continue studying full or part time in 2019/2020. Current middle school, high school and/or college students are eligible. Scholarships will be awarded based on an **extraordinary** achievement in the field of academic, sport, music, art, science, leadership, or talent, etc. on the national or international level. PSFCU will evaluate the candidate's application based on achievement, academic success, extracurricular involvement and commitment to the community that Polish and Slavic FCU serves. *All decisions of the Scholarship Committee are considered final.*

This year's goal is to select 1 winner who will be awarded a \$5,000 scholarship. The Committee will award one \$5,000 scholarship. A member is limited to **only one** grant during the life of this program.

Please mail **1 copy** of your completed, typed application and essay with a single copy of required documentation no later than **September 3, 2019**. Applications should be completed in English only. All Polish documents should have English translations attached. Awards will be issued directly to the scholarship recipients in the form of a check. Incomplete, late, faxed or e-mailed applications will not be accepted. Mailing instructions and a full listing of required documents are outlined on page 5 of this application.
